Commonwealth Chapter Meets.

Commonwealth Chapter, Daughters of the American Revolution, held an important called meeting Tuesday at noon in the home of Mrs. M. Allen Chambers, No. 202 West Main Street.

The principal business of the meeting was arranging for the presentation of the colonial house, recently erected by the D. A. R. on Jamestown Island, which will take place on June 7th, with elaborate and appropriate ceremonies.

The next meeting of the chapter will be held on Wednesday, May 15th, in the home of Mrs. Chambers, when final arrangements will be made for the boat excursion down the James on June 7th.

Dames to Attend.

Among the distinguished members of the Society of Colonial Dames in America who will attend the ceremonies at Jamestown Island on Saturday will be Mrs. Logan of New York and Mrs. S. P. Wetherall of Philadelphia, who will be the guests in Richmond of Mrs. Francis H. Pemberton at No. 301 West Franklin Street.

aid the house regent at the Confederate Museum on Saturdays and Thursdays during May.

A number of flags made by members of the chapter were shown, and were distributed for decoration at the various headquarters.

Mr. W. O. Skelton, in a letter read before the chapter, called attention to the fact that June 3, 1908, will mark the centennial of Mr. Davis' birth. The chapter will take action at once looking toward a proper celebration of the event.

A letter of thanks was ordered written to Mr. A. Belne Blair for his successful efforts in having Monument Avenue extended from Allison Street to the Boulevard.

Mrs. Randolph spoke at some length on the part to be taken in the reunion by the Daughters. There has been some misapprehension in regard to this, and it is understood that no meeting of the United Daughters of the Confederacy will be held in Richmond this year. The Confederate Southern Memorial Association, of which Mrs. W. J. Behan is president, will, however, meet here during the reunion.

Mrs. Robert Christie was made chairman for the informal reception to be given in Lee Camp Hall Wednesday, May 29th, from 8:30 to 11 P. M. All Confederate organizations are invited and requested to wear their badges.

The Daughters are anxious to have a Virginia flag for their building at the exposition, and are glad to receive special contributions for this purpose.

Special badges for members of the Richmond Chapter who have paid their dues according to the treasurer's books, can be had from Mrs. Hugh Miller, No. 112 North Third Street, between the hours of 4 to 7 P. M. from now until May 30th. These badges entitle members to all entertainments on the official reunion program, where Daughters of the Confederacy are mentioned.

The corresponding secretary was instructed to write letters of sympathy to Mrs. Arthur Evans, Mrs. S. D. Drew, Mrs. Mollie Macgill Rosenberg and Miss Mattie Harris.

Dr. Humphreys to Lecture.

Dr. Alexander C. Humphreys, the distinguished president of Stevens Institute, Hoboken, N. J., will lecture before the Richmond Education Association on the evening of Thursday, May 16th, in the hall of the House of Delegates. The public are cordially invited to be present.

The subject of Dr. Humphreys' lecture will be "Education—Ethical and Practical."

NEW PIANO HOUSE
FOR RICHMOND

Lester Piano Co. Opens Local Branch at 214 North Fifth Street.

The Lester Piano Company has opened a Richmond branch store at 214 North Fifth Street, with Arthur J. Crafts as manager. This is to be only a temporary location, however, as the company is now negotiating for a beautiful store on Broad Street, to which it will remove.

The home office of the Lester Piano Company is in Philadelphia, and the factory is at Lester, Pa., a suburb of the Quaker City.

The business was founded nearly half a century ago by the late F. A. North. In 1888 the company was incorporated, Mr. North being its president until his death, September 15, 1904.

The instruments made by this company are used and endorsed by more than a hundred schools and colleges throughout the United States. Among the many prominent artists who used the Lester piano are Lillian Blauvelt, Alfred Hertz, G. Campanari, Frank Kneisel and Robert Tempest. It is also highly endorsed by the New England Conservatory of Music, Boston, and Broad Street Conservatory, Philadelphia.

The company was also chartered recently under the Virginia laws.

To introduce its instruments more readily to the local public, the company has announced a contest in which prizes estimated at \$14,000 will be given to persons sending in the best definitions of a "baby."

Mr. Crafts, the local manager, has traveled extensively, and has been in the piano business for many years. He was formerly connected with a Baltimore house which has a branch store here.
